

Adeptus Solutions, Inc. Established in 2008 as a woman and minority owned small business, we attained our Small Business Administration (SBA) 8(a) / Small Disadvantage Business (SDB) status on 9/12/2011. Headquartered in Reston, Virginia, Adeptus Solutions implements solutions using Project Management Institute (PMI), Capability Maturity Model Integration (CMMI), Information Technology Infrastructure Library (ITIL), and Agile Methodology best practices across all projects.

Mission Driven Adeptus Solutions supports a wide range of mission-critical programs across government agencies. We measure success by consistently providing customized service and adding value with measurable process-driven results. Our approach to ensuring program success is simple-deliver the most effective solutions that provide the right outcomes and increase value. We start with the understanding that each program within the Federal government is unique. Our team deliver solutions tailored to the specific needs of each of our clients. Our “one-size **does-not-fit-all**” approach enable our clients to meet their program objectives more effectively and efficiently.

Staffing Challenges Solved Adeptus Solutions can quickly meet the unique personnel requirements of government organizations. We have in house recruiters, we partner with government and have partnered with Kforce to provide unparalleled recruiting capabilities to fill critical program positions quickly.

Why Work with Us? Federal technology and management support is our roots. For over 17 years our management team developed a history focusing on the federal market. Focusing only on the federal market allows our attention to directional align with our client’s challenges and more importantly help them to identify potential obstacles in advance, rather than reacting to problems after they occur. This forward thinking approach has built our customer’s trust and confidence.
